By signing I, \_\_\_\_\_, affirm that the information I am providing is true and accurate; and that I understand I am changing my certification(s) status and have read and agree to abide by all of the following requirements:

- A. I will not be able to get the RID certification back. If I decide in the future to become RID Certified again, I will be required to go through the entire certification/testing process and will be subject to certification eligibility requirements in effect at the time of applying for certification.
